# Create your own character!

DRAW IN HERE

1. Is your character a boy or a girl?
2. Do they have big eyes or little eyes?
3. Do they have a big nose or a little nose?
4. Do they have a big mouth or a little mouth?
5. Do they have big ears or little ears?
6. Do they have long hair or short hair?
7. Is their hair curly or straight?
8. What are they wearing? (make it a crazy idea!)
9. What are they holding in their hands?
10. What are they wearing on their feet?
11. Give your character a name!

CONGRATULATIONS! You've created a brand new character!

Now, if you want to make it into a story:

12. Where is your character? (draw a setting - lots of detail!)
13. Give your character a friend.
14. What could go wrong?  
(Create a problem for your character)
15. How can you fix it? (Save your character using only things you've already drawn!)

CONGRATULATIONS! You've created a brand new story using only drawing. Now you can write it!
